

2012 Olympic Passport

Information for Sports Clubs

What is it all about?

To celebrate the year of the Olympics, Active Schools have created a project that encourages young people to get active and enjoy a range of Olympic sports.

All P4-P7 pupils will receive an Olympic Passport and will be encouraged to try as many Olympic Sports as possible between 1st January and 12th August 2012. Pupils will be asked to present their passport at sessions for coaches to sign and will be rewarded for the more sports they do.

What do clubs need to do?

All we ask is that clubs work with us to provide opportunities for young people to access your sport. This can be done in a variety of ways for example:

- Advertising existing club sessions
- Offering specific 'Olympic' taster sessions
- Come and try events
- Hosting family days/ nights

All sessions must take place outwith school hours. This may include after school clubs, evening sessions and weekends or during school holidays.

What are the benefits to my club?

- Increased junior participation
- Raise profile of your club
- Potential increased membership
- Develop school to club link
- Funding opportunities
- Identify future talent
- Gain new club volunteers

How do I get my club involved?

Please contact Active Schools by submitting the form below to include your clubs involvement.
