News

Howdenburn brighten up their playground

Howdenburn primary were successful for an Awards for All bid to brighten up their school playground to make it a more active place during break and lunchtimes. Over the Summer holidays the playground was transformed with 5 play markings and the playing court was designed with sports court lines to allow several sports to take place.

Active Questionnaires

Thank you to all who returned the Active Schools Primary Questionnaires. These are currently being evaluated and results will be issued to schools ASAP. The results will contribute to the Active Schools after school programmes and holiday programmes.

Training Opportunities

Active Schools are looking for people to volunteer their time to work with young people. We provide a variety of training for volunteers and courses are available locally throughout the year.

For information about what the training course involves contact Debra Martin.
